

'Neath the range of mighty
mountains,
Reared against the sky,
Proudly stands our Alma Mater
As the years go by.
Forward ever be our watchword—
Conquer and prevail.
Hail to thee our Alma Mater,
Walla Walla, Hail.

The Year of Change--Fads,

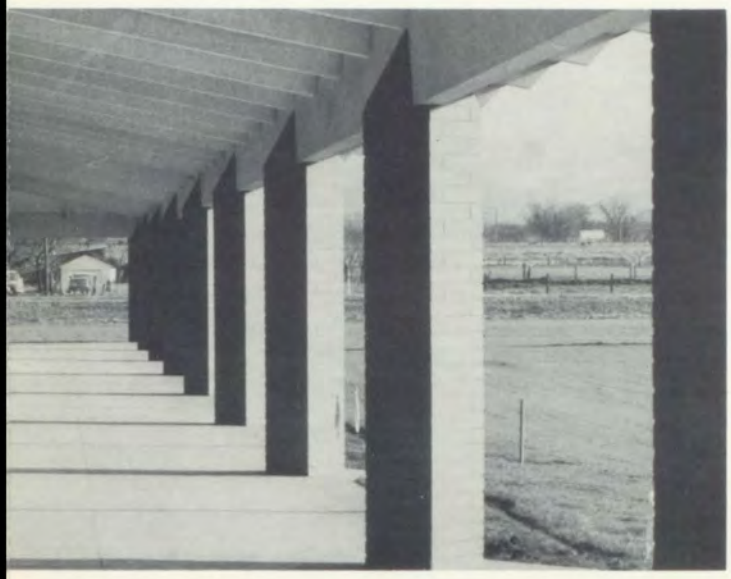

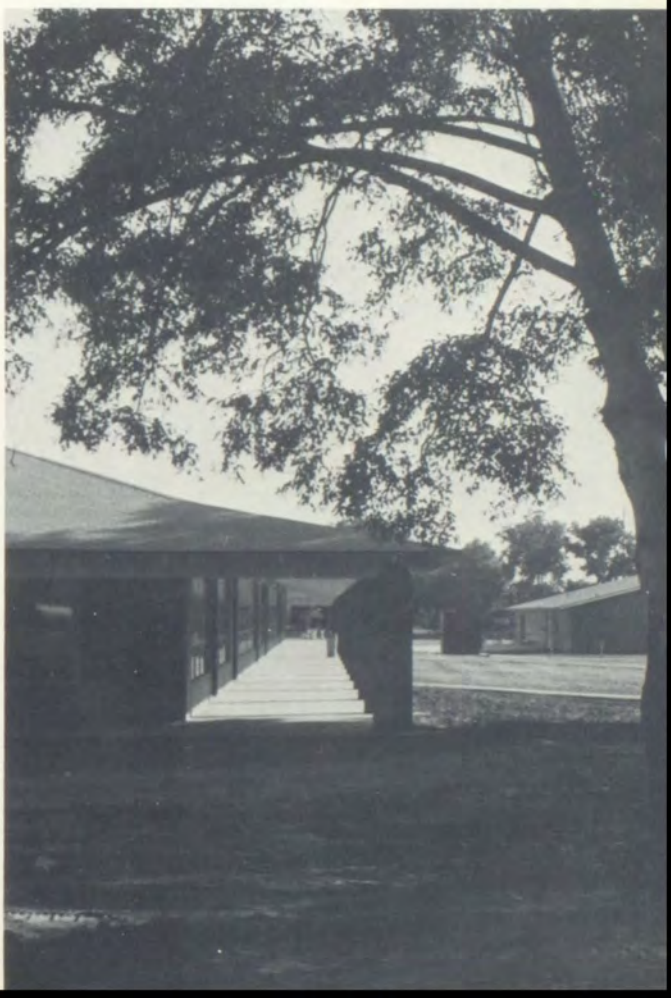

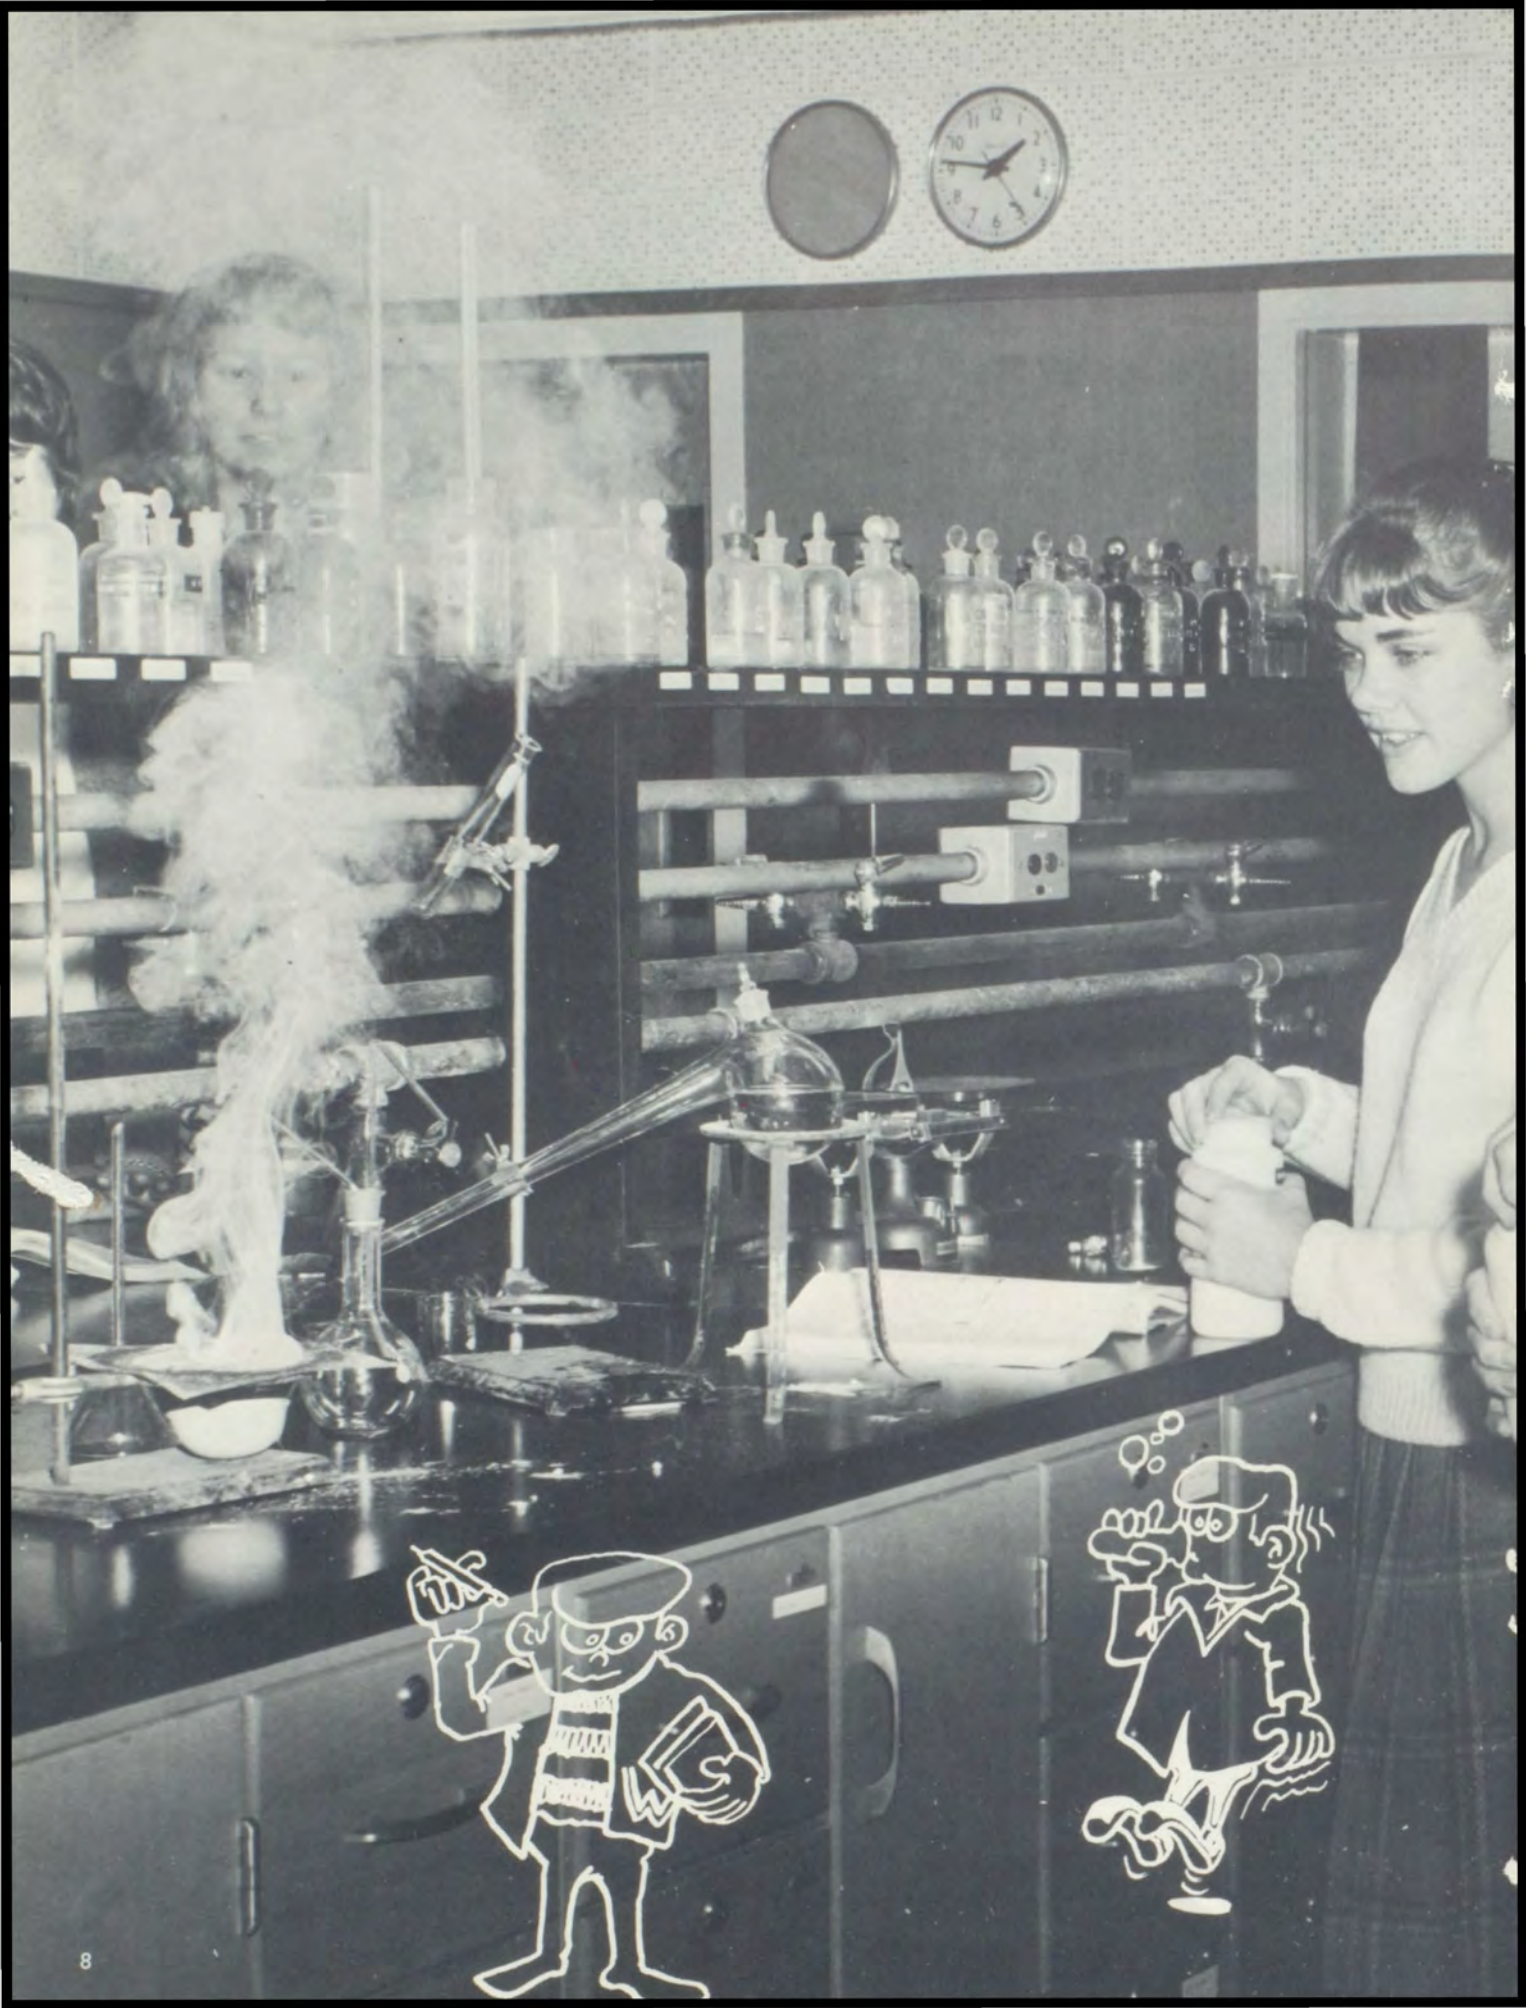

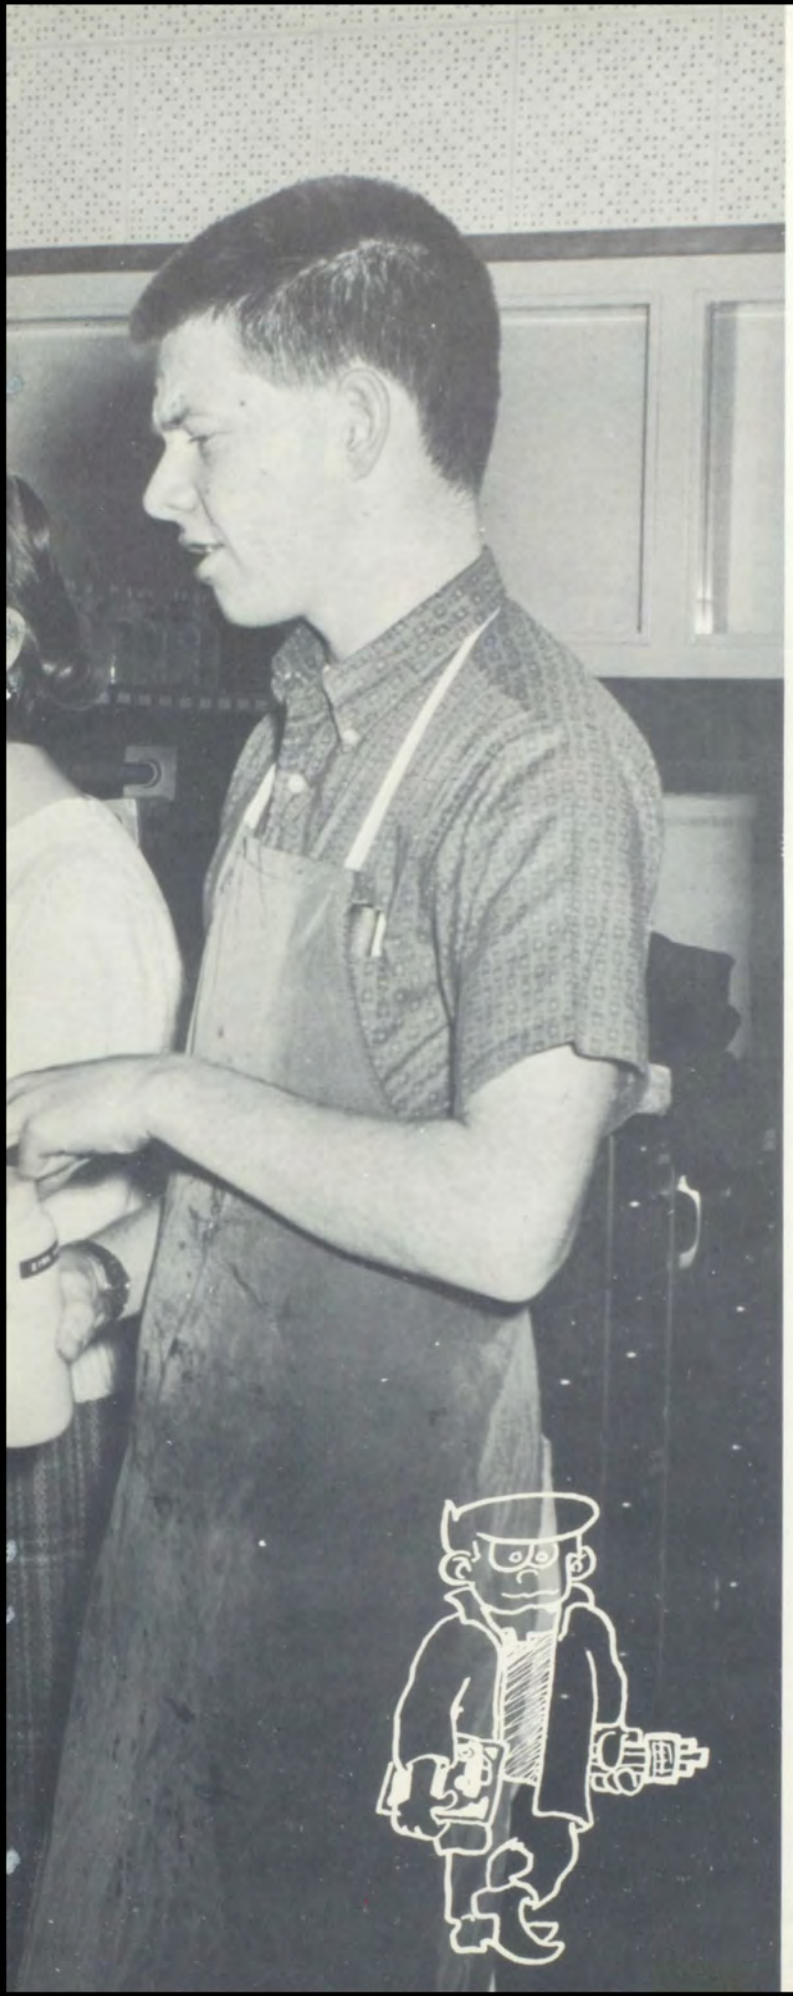

Rallies, Interests Occupy Students

CLASSES

Administration

MR. JONES, Superintendent; MR. REYNOLDS, Assistant Superintendent.

The annual describes pictorially educational and extracurricular activities carried on in the first full year's use of the new building. Those in the community who contributed their time, energies, or money toward the construction of the plant are, I am sure, pleased with the quality and amount of its use.

You, the students, have taken pride in your new school; the capable, hard-working faculty has taken advantage of what this new functional building has to offer in creating a good educational climate. Evidence is abundant to prove that greater achievements have been accomplished: more merit-scholars, academic awards, and the development of high morale.

When people spend their money, and invest in school plant facilities, they like to receive a good return on their investment. The new high school is a real "Blue Chip." The students this year, the highest type of "over-achievers," will give some "high yield dividends." These are the kind of dividends on which you and the taxpayers of Walla Walla do not have to pay capital gains tax.

Keep up your good work.

ARTHUR D. JONES
Superintendent

Success in the pursuit of excellence is not beyond the reach of the average student. One of the reasons for the continued success of our "Royal Blue" is this "pursuit of excellence" by the dedicated staff. Miss Gray is to be commended for coming up with an outstanding "Royal Blue" year after year.

As one thumbs through the pages of the year book, we all recognize various areas of high performance. With our new plant, competent staff and capable students, we should not settle for less than excellence in all areas.

Congratulations, seniors! May you have much success and happiness. To our sophomores, juniors and staff members, may we work together to achieve excellence in all areas of the school program.

A TRIBUTE

A friendly girl with face full of freckles . . . always smiling. We remember your warm greeting to a new girl, making her feel at home; full of life . . . taking part in everything . . . always doing your best. Yes we are glad you were one of us, Sue. We'll miss you

Student government can only be successful with an interested and enthusiastic student body. This year we had such enthusiasm, as was demonstrated by the effort put forth in the Student Court Revision Bill.

As president, I had a very fine cabinet with which to work. Thank you, students, for an excellent job.

Good luck next year to all returning Wa-Hians.

The officers of Boys' Federation this year were Larry Nichols, president; Tom Williams, vice president; and Chris Martin, secretary-treasurer. The committee heads and homeroom representatives assisted the officers in promotion of good fellowship in Boys' Federation. Much of the business of the organization was carried on by the committee heads. Through the year Boys' Federation had several interesting assemblies, frolics and put up Wa-Hi Calendars in the stores down town. All in all, Boys' Federation had a very successful year.

Quill and Scroll

QUILL AND SCROLL, dedicated to promoting high quality journalism, is a national honorary society which recognizes students who have done outstanding work in high school publications.

From the staffs of the **Journal** and the **Royal Blue,** come the members of the Wa-Hi chapter of Quill and Scroll. Mrs. Bailey, the advisor of the **Journal,** is also the advisor of the Quill and Scroll. The 1964 - 1965 officers of Quill and Scroll were: Charlotte Benson, president; Cynthia Davis, vice-president; and Patricia Schatzel, secretary-treasurer. Eligible juniors and seniors must have a high scholastic standing and be recommended by their advisors. A few achievements this year include: entering the national Quill and Scroll writing contest, sponsoring the spring literary issue of the **Journal,** and presenting an award assembly before the student body.

The NATIONAL HONOR SOCIETY strives to give recognition to those students who have reached high levels of academic and social achievement. Four areas of qualification are examined in selecting new members: scholarship, leadership, character and service. Twice a year a special "tapping" is held to receive new members.

The Walla Walla Chapter began this year, with 29 members, under the leadership of Roger Brown, president. Nineteen seniors were inducted at the end of the first quarter. The assembly speaker, Mr. Robert Burns, professor of English at Walla Walla College, spoke on "Our Heritage in American Literature." During the third quarter, under president Joe Parmalee, NHS tapped 5 seniors and 14 juniors, to bring the total membership to 65. The very distinguished guest speaker for this assembly was 1956 Nobel Prize winner in Physics and professor of Physics at Whitman College, Dr, Bratton, with the topic "Science and Human Understanding."

The members of NHS long will remember their selection to the society. The 1964-1965 officers first and second semester respectively, Roger Brown and Joe Parmalee, pres.; Mike Christenson and Steve Dixon, v. pres.; Nancy Phillips and Kay Ann Bergevin, secretary; Mary Kay Christianson and Cynthia Davis, treasurer; and Billie Kay Simmons and Ann McKenney, historian.

ORCHESTRA

The Wa-Hi Radio Show

This year the Wa-Hi radio show, under the direction of Pat Craig and Chris Huss, pictured at the left, presented the students' views of Wa-Hi in a fresh and imaginative way. The two seniors were heard every two weeks, alternating with each other, and often sat in on each other's shows. Their latest order of business was the training of next year's D.J.'s, Craig Bury and George Lathrop. Chris and Pat were on the show for two years assisted by Burl Barer both years. KTEL was generous enough to provide Walla Walla High School with the air space every Wednesday night while Mrs. Brumback at the Record Center was also kind enough to provide records all year. The two boys hope they have presented this year, in a well-rounded program, life at Wa-Hi from every angle.

Walla Walla's chapter of 50 future teachers had several projects this year. Some as teaching assistants spent an hour or more a day assisting teachers with their classes. Duties included such things as putting up bulletin board displays, setting up lab experiments, instructing individuals or groups, and correcting papers. The project system consisted of contacting the 10 schools in the district and assigning future teachers to help with jobs such as grading papers, making bulletin boards, tutoring, typing, and running off tests. They were also involved in a clinic held each Saturday with the Whitman College Juniors majoring in Education. The members were divided into teams that listened to and rated the lectures. The purpose of this system is to iron out problems of the education majors before they student-teach and to give the future teachers an insight into teaching.

Key Club participated in many worthwhile activities including several services: parking cars at football games, distributing and collecting Muscular Dystrophy cannisters, and setting up and painting parking lot markers. Also this year, the club sponsored a hootenanny and burned the "W" for homecoming.

The International Relations Club is an interest group concerned with foreign culture and international problems and affairs. This fall, as every year, members of the club attended the Model United Nations and represented two countries. Each month the program included speakers with films and informal discussion. This spring, an international banquet was held as part of initiation for the new members.

WW Hi-Y has been very active this year as both a school club and a community service club. The boys participated in Hi-Y legislatures at Olympia and Spokane and parked cars at home football games. They sold Easter lilies on community service week and provided Thanksgiving and Christmas baskets for needy families. Members also sponsored a car wash and a rummage sale for the Susan Cox Memorial Fund.

Senior Play

"The Little Dog Laughed," an excellent performance compounded of love, hate, reconciliation, and family life, provided two nights of fine entertainment for Wa-Hi students.

The play concerned the ordeals of a college student, Laurie, who took a course in psychology and then came home to find her home life a mess. Her father's dream of a car dealership was hampered by his lack of education and his arch rival.

Laurie's mother tried to uphold her social standing and also tried to help her husband get a loan.

In the meantime, Laurie fell in love. Her boyfriend convinced her that family is more important than psychology, while the maid comically chased her "honey."

Laurie furthered the excitement by nearly ostracizing her mother and almost losing her boyfriend.

FFA

This past year has been a very active one for the Wa-Hi FFA Chapter with members showing livestock at Spokane, Milton-Freewater, and Walla Walla. The Parent-son Banquet in April was considered a success. The Parliamentary Procedure Team won second place at the Sub-District Meet this year and will be stronger next year with the addition of experience.

Homecoming

This year's Homecoming, November 2-6, was climaxed by the Wa-Hi-Davis game. The week began with "Sink the Pirate day," Tuesday; a Davis Pirate was drowned in effigy. Next, of course, was "Mourn for the Pirate day," followed by "Mad Hat Day." That night was the serpentine, where Wa-Hi students ran down the streets of Walla Walla on their way to watch the bonfire. An assembly was held Friday, on "Color Day," including yells, skits, and the judging of the beard growing contest. The traditional noise parade preceeded the football game. This unusually successful week was topped by "Blue Reflections," the Homecoming dance, Saturday evening.

Madhatters

Increasing their membership to nearly 80 boys, the Madhatters successfully completed their second year of existence. With their own spirited section at each Wa-Hi athletic event, the Madhatters cheered the Blue Devils on to victory. Under the leadership of Chris Huss, president; Chris Martin, vice-president; and John Peterson, secretary-treasurer, the Madhatters continued to set a tradition which they hope will be carried on for many years to come.

Pep Club

Pep Club membership numbered in the 70's this year and was headed by a new advisor, Mrs. Kirk. "Team support" was the motto of the year as Pep Club members attended all intown and many out of town games in the fields of football, basketball, wrestling, and baseball. New uniforms were initiated at the beginning of the basketball season. Three high points of the year were decorating the winning Homecoming float, the candy cane sale, and the Valentine Frolic. Mrs. Kirk and her original ideas was the biggest boost the club had all year long.

Returning from an undefeated year, the Devils found themselves in a very tough and well-balanced league. While this was a "building year," and twice playing teams rated as No. 1 in the state, Wa-Hi can consider the 6-4 season as being good.

Wa-Hi kicked off the season by rolling over the Tri-City schools 20-0 at the Jamboree at Pasco as Jim Smethurst returned a punt 60 yards for a touchdown. Then Wa-Hi's defense glimmered in downing Richland 12-6. Linemen John Peterson, Carl Banks, and Tim Boutz helped to stop a drive on the 3 yard line. From there the Devils traveled to Idaho and played a strong game with Chris Martin catching a touchdown pass to help down Caldwell 14-13. Wa-Hi returned home to down Ferris of Spokane 32-0 with some fine defense from Rich Buroker and Ernie Long. Then the Devils knocked Eisenhower out of their No. 1 spot in a hard fought 12-13 game in which Team Captain Bob Fox's last and second field goal attempt was blocked. Wa-Hi returned to the Tri-Cities only to be stopped cold by Pasco 0-12. Back on home ground the Devils downed Moses Lake 26-0 with a 56 yard touchdown run by Scott McKnight. A week later Wa-Hi met with a 14-21 loss to Kennewick as Gary Christensen was proving himself valuable on defense. Number one ranked Davis saddened Wa-Hi Homecoming by beating us 26-14. Jim Risan was tough on defense, and Steve Perry pulled in a touchdown pass. The season ended with a strong win over Richland 21-6 as Les Kibler ate up the yardage and inspirational player Mike Dawes booted his 7th extra point in a row. With capable managers Herb Horn and Doug Simmons, Wa-Hi had a very successful season.

Cross Country

The cross country team had quite a successful first year even though they didn't have a winning season. The competition started out with a victory against Kennewick with a score of 21 to 34. The JV's ran all over the Kennewick Junior Varsity with a score of 15-47. Then the Wa-Hi team placed second against Pendleton by a narrow score of 27-33 and Mac-Hi had a 94. The Junior Varsity team also placed second with Pendleton's score at 19, Wa-Hi at 40, and Mac-Hi at 112.

The next run was with Kennewick and Mac-Hi at Borleske. Kennewick edged us out by only 1 point with a score of 28-29 and Mac-Hi again had a high score of 76. The Junior Varsity ran in first place in this meet with a score of 91 to Kennewick's 58 and Mac-Hi's 58.

At Borleske Wa-Hi came in 15 points behind Pendleton. Wa-Hi had a 21-36 loss. The Junior Varsity team also lost but by a score of only 26-31.

At the Clarkston Invitational Meet, the Wa-Hi team won the first place trophy and Rich York established a new course record. Then the Clarkston team came down to the Borleske course and we lost by 27-29.

The roughest most competitive race this year came at the Spokane Invitation Meet. Wa-Hi placed 6th out of 24 schools. The Lettermen were Rich York, Kip Hussey, Joe Gulstine, Lanny Larsen, Rusty Lyons, Bill Engeln, Ken Crawford, Bob Tate, and Doug Matthews.

The Blue Devils started the season with three straight victories: Sunnyside twice and Hermiston once. Then they ran into Clarkston for their first defeat. From that point on there were more defeats than wins. Season record was 7 wins and 11 losses. The team was co-captained by Paul Gatewood and Jim Smethurst. Gatewood led the team in scoring and was selected as the most valuable player by his teammates. Smethurst, the floor leader, was selected as the most inspirational player by his teammates. Other outstanding performers for the Blue Devils were seniors Gary Jewell, who finished as the team's best rebounder and toughest defender; Steve Crawford, with the deadly jump shot; Les Kibler, with the good hustle; and Brian Roesch who could come off the bench when needed.

The Blue Devils got outstanding performances from three juniors: Rich Averill, Joe Gulstine, and

COACH McBRIDE

On November 18, sixty-five boys donned their wrestling uniforms to compete for the twelve varsity berths . This group, led by returning lettermen Dan Frost, Merwin Harstad, Lanny Larsen, Dennis Bradstreet, Rich York and Mike Nelson, worked diligently to prepare for the coming season and to attempt to fill the eight varsity berths vacated by graduating seniors.

After being defeated by Pasco in their first match, the varsity came back to win their next three matches and end their season with six wins, six losses and one tie. Included in these wins were defeats of strong Kennewick and Richland teams. The best individual records were compiled by Dan Frost (8-3-1); Lanny Larsen (8-4); Rockey Isley (8-4); and Bob Tate (7-3-2).

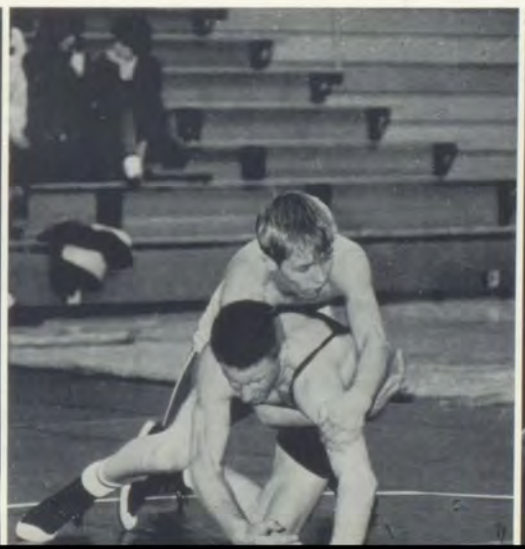

The success of a wrestling season is the number of boys who participate in tournament wrestling. Eight varsity wrestlers qualified for the district tournament in Grandview. At this tournament, Lanny Larsen, Dan Frost and Rich York won third places to lead Wa-Hi to a sixth place finish.

The junior varsity had a successful season winning twelve and losing two matches. Their overall individual win-loss record was 119 wins, 67 losses and 10 draws. With this fine showing, the coaching staff is optimistic about next year's wrestling team.

MISS WIRTH
Advisor

Tennis, badminton, volleyball, basketball, and track — this is the variety of activities that is offered under the guidance of Miss Wirth and Mrs. Kirk by the Sports Club to the girls at Wa-Hi. To add interest and an air of competition, tournaments were held during tennis and badminton. Marcia Wendler won the tennis contest and Jean Dwyer won the badminton tournament. A volleyball play day was scheduled with Kennewick, Richland and Pasco during the basketball season, the Wa-Hi girls played DeSales and Y. W. C. A. teams and ended the season by attending a "Sports Day" at Pullman with other Inland Empire schools. The year was brought to a successful conclusion by participation in a track meet in Wenatchee.

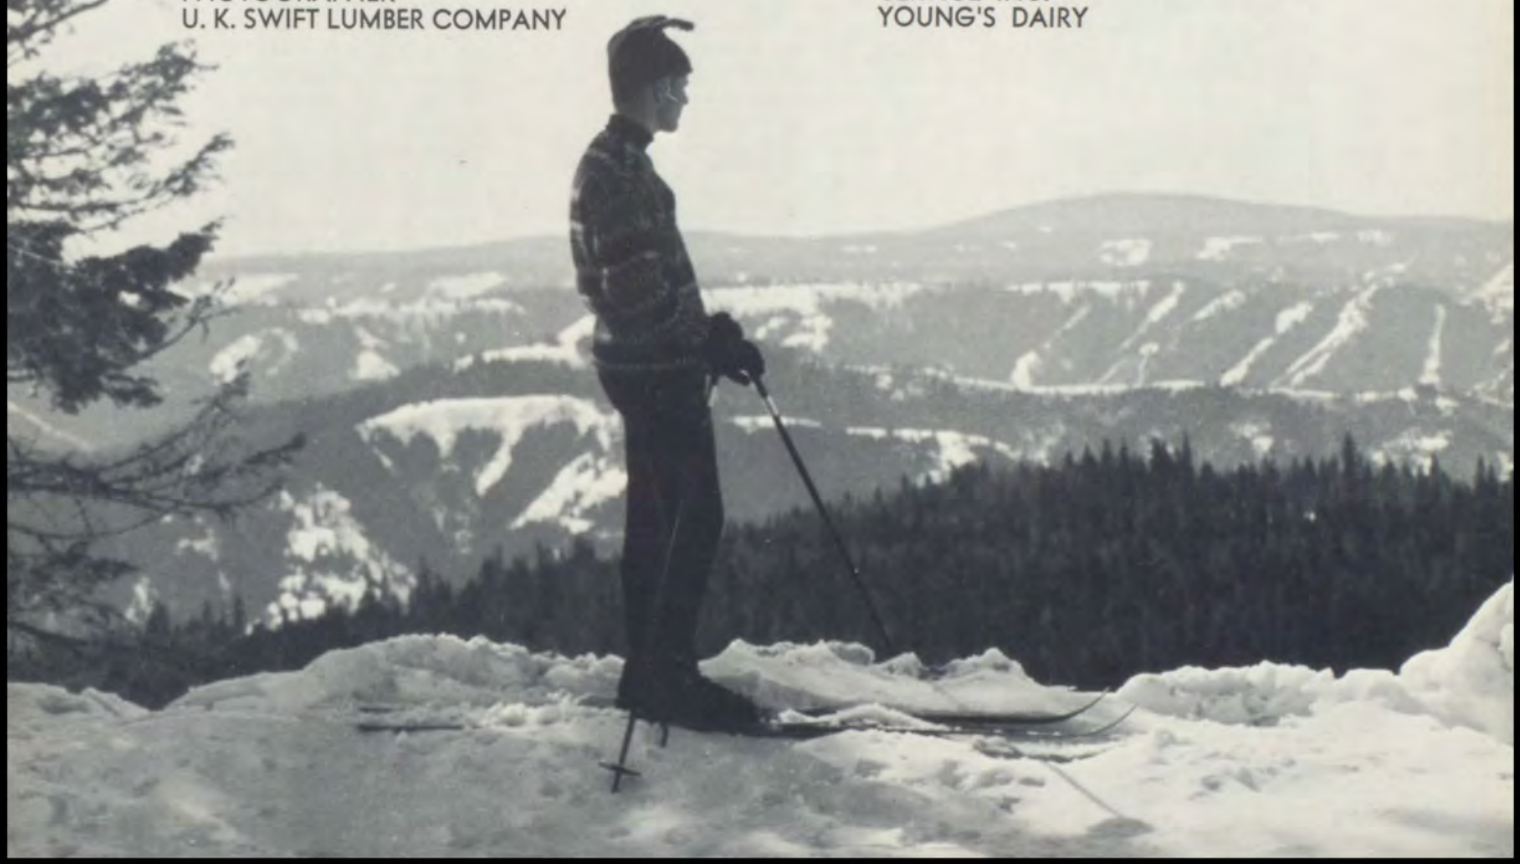

Jeannie Ganguet and Becky Gehr are learning balance exercises on the new balance beam.

The 1965 Royal Blue Supplement

Mr. Arthur D. Jones

The **Royal Blue** would like to pay special tribute to Mr. Arthur D. Jones, superintendent of the Walla Walla Public Schools for the past 16 years, who because of his health resigned to become administrative assistant. Those who have had the privilege of working with Mr. Jones have a high regard for him as an administrator, an educator, and as a friend. Mr. Jones, an alumnus of Whitman College, has been a teacher, coach, and principal in Asotin, Grangeville, and Toppenish high schools, a lieutenant-commander in the U. S. Navy as well as principal and superintendent of the local schools. Many have admired the ambition and enthusiasm with which he has faced his tasks and the distinction with which he has served.

One of the longest winning streaks in the history of Wa-Hi belongs to Jim Smethurst, undefeated in 3 years of play until the district tournament where he placed third in the Yakima Valley League. This is a very good showing, since it is the first year Wa-Hi has been in league competition. Bob Schaeffer also boasted a perfect season but lost out in the sub-district.
